The diagram illustrates a flow or dependency structure. On the left, there are two separate rectangular boxes. The top box contains the text 'Bioinspired\_Algorithm.MFO.MFO\_Controller' and the bottom box contains 'Bioinspired\_Algorithm.MFO.MFO\_PP'. Both boxes have a thin black border. Two blue arrows originate from the right side of these boxes. The arrow from the top box points towards the top of a third box on the right, and the arrow from the bottom box points towards the bottom of the same third box. This third box, located on the right side of the diagram, is wider than the two on the left and contains the text 'Bioinspired\_Algorithm.MFO.initialization'. It has a thicker black border and a light gray fill.
